## TO APPROVE THE CHATTANOOGA HOUSING AUTHORITY OPERATING BUDGET FOR FISCAL YEAR 2024.

WHEREAS, in accordance with the applicable regulations of the United States Department of Housing and Urban Development (HUD), the Chattanooga Housing Authority (CHA) is required to approve the agency's Operating Budget prior to the beginning of the fiscal year (1/1/2024); and

WHEREAS, a proposed Operating Budget for Fiscal Year 2024 in the amount of $\$ 58,883,183$ in revenue, and $57,614,421$ in expenses has been presented to the Board of Commissioners for its review (including the Asset Management Projects) and approval;

| Accounts | FY 2024 | FY 2023 | Differences | \% |
| :--- | :---: | :---: | :---: | :---: |
| Revenue | $58,883,183$ | $54,319,433$ | $4,563,750$ | $8 \%$ |
| Expenses | $57,614,421$ | $52,917,958$ | $4,696,463$ | $9 \%$ |
| Projected Net Income | $1,268,762$ | $1,401,475$ | $(132,714)$ | $-9 \%$ |

NOW THEREFORE BE IT RESOLVED that the Board of Commissioners of the Chattanooga Housing Authority hereby approves the Operating Budget for Fiscal Year 2024 (a copy of which is attached hereto) and authorizes the submission of this Resolution to HUD and authorizes the Executive Director to implement underlying measures included in this resolution, and

BE IT FURTHER RESOLVED that this Resolution be effective immediately.

Executive Summary - Finance<br>2024 Operating Budget

## Agency-wide

- Merit Raises and Incentive Pay - In 2023, CHA revised its Personnel Policy to include a new a performance incentive model for salary increases. This is a replacement for the Cost of Living Adjustment (COLA). The employee merit raises will be based on the average scores from their performance evaluations. CHA will also make an annual incentive payment that are also based upon the evaluations. For informational purposes only- the old COLA calculation is $3.1 \%$. The chart below shows the raises and incentives included in the budget for all areas.

| Level | Raise | Incentive |  | PT |
| :--- | ---: | ---: | ---: | ---: |
| Level 5 | $4 \%$ | $\$$ | 1,000 | $\$$ |

- New Positions -
- LIHTC Compliance Coordinator - Oversees all compliance monitoring and reporting for LIHTC properties. Ensures adherence to IRS and state LIHTC program requirements. This position will be directly charged to Cromwell and Emerald and is not reflected in these budgets.
- Operations Inspector - Operations Inspector conducts routine inspections of properties to identify maintenance needs, safety hazards, operational issues, and areas of improvement; this aligns with HUD's new NSPIRE standards which require more rigorous annual inspections of our sites. The Inspector documents inspection findings through work orders and reports to inform management of current property conditions; ensuring issues get properly addressed helps the housing authority meet the higher physical condition standards under NSPIRE. With NSPIRE's annual inspection requirements, the Operations Inspector plays a crucial quality assurance role in identifying and correcting deficiencies that could impact compliance. The Inspector's routine monitoring of properties helps the housing authority meet NSPIRE standards and avoid financial penalties. Directly charged to all of the properties that CHA manages.
- Maintenance Technical Advisor - The Maintenance Technical Advisor is responsible for programlevel oversight, compliance monitoring, quality assurance, and technical assistance to the Community Managers and Maintenance Service Managers to support and enhance the maintenance programs for all Chattanooga Housing Authority (CHA) affordable housing sites. The person who holds this position will track budgets, monitor the status of vacant units, ensure safety and regulatory compliance, analyze infrastructure needs, and provide recommendations for action plans to improve maintenance operations. Directly charged to all of the properties that CHA manages.
- Employee Benefits - Health Insurance: The State of Tennessee announced the rates for the Health Care Plan options. The State offers two plans with two networks. The BCBST Network S and Cigna Local have no increases except for a $2 \%$ increase in Employee + Spouse only. BCBS Network P \& CIGNA Open Access have increases of $1 \%$ to $3 \%$, with $2 \%$ being the average. CHA pays $60 \%$ of these costs, and the employee pays $40 \%$. There is no change to vision insurance, and a $5 \%$ increase to dental insurance. Total benefit load ranges from 21-25\% of salaries (depending on program area.)
- Utilities - Increases to most utilities are expected in 2024. Typically, we use announcements from local news articles or from press releases on the utility websites. As part of storm water infrastructure improvements, the City raised the Water Quality Fee by 9\% each year for five years. We are now projecting no increase for 2024. The following chart shows estimates used in the budget.
- Property/General Liability Insurance - The CHA is a member/owner of the Tennessee Housing Authority Risk Management Trust (THARMT). THARMT is an insurance risk

| Type | Change |
| :--- | ---: |
| Electricity | $4.50 \%$ |
| Gas | $6.31 \%$ |
| Sewer | $3.00 \%$ |
| Water Quality Fees | $0.00 \%$ |
| Water | $3.00 \%$ | sharing pool for Tennessee's housing authorities. Recently, they notified us that all housing authorities would have an average increase in 2024 of $30 \%$. Some would be higher and some lower based upon loss experiences. For budget purposes, we are using a $30 \%$ increase. This affects all CHA properties.

- Software Costs - In 2023, CHA transitioned from hosting our Elite housing software on local servers to utilizing cloud-based infrastructure. This increased costs affects all of the program areas at CHA.
- Westside Evolves - This is a major initiative in Chattanooga's Westside area that encompasses several CHA properties (College Hill Courts, Gateway Towers, Boynton Terrace, and Dogwood Apartments), as well as other non-CHA owned communities. Westside Evolves is a complete reimagining of the entire area from MLK Blvd to Riverfront Pkwy to Main St to Interstate 24. The One Westside footprint will eventually include new residential, and commercial properties. From a budget perspective, this project will have its own individual funding sources (TIF, tax credit investors, mortgages, HUD CNI grant, etc.), however CHA could bear some of the predevelopment costs. At this point, it is not known how much. CHA has pledged its unexpended sales proceeds of $\sim \$ 3.1$ million for this purpose.
- Interest Income - Interest income has seen tremendous growth in 2023 compared to prior years. From January of 2022 until October 2023, we have seen interest rates increase by almost 4.5\%. The organization has strategically invested its excess reserves to take advantage of higher yields. This has proven to be a valuable new revenue source to support expanded programming at CHA.
- NSPIRE stands for National Standards for the Physical Inspection of Real Estate. It is HUD's new physical inspection system that replaces the previous system known as Uniform Physical Condition Standards (UPCS).
- Under UPCS, properties were inspected only once every 1-3 years, whereas NSPIRE requires annual inspections. Standards are more rigorous than UPCS, and there are more items inspected and higher quality standards.
- In terms of impact on operating budgets- The increased frequency of inspections under NSPIRE means more administrative time and cost for CHA each year. The higher standards mean properties are more likely to require repairs and maintenance year-to-year to pass annual inspections. This can increase operating expenses. NSPIRE is likely to increase operating costs related to property upkeep and administration of more frequent inspections.
- It covers all of the communities that CHA manages as-well-as our landlords in the HCV Program.

## Consolidated Budget Summary

| Accounts | FY 2024 | FY 2023 | Differences | \% |
| :--- | ---: | ---: | ---: | ---: |
| Revenue | $58,883,183$ | $54,319,433$ | $4,563,750$ | $8 \%$ |
| Expenses | $57,614,421$ | $52,917,958$ | $4,696,463$ | $9 \%$ |
| Projected Net Income | $1,268,762$ | $1,401,475$ | $(132,714)$ | $-9 \%$ |

## CENTRAL OFFICE COST CENTER (COCC)

- The COCC is made up of 10 departments (Legal, MIS/IT, Public Safety, Fraud, Operations, HR, Finance, Resident Engagement, Executive Department, and Housing Development). The COCC generates revenue by charging internal fees for management services similar to a private real estate management company.
- Revenue - The primary source of revenue for the COCC are fees from:
- Management Fees_- The COCC earns management fees at all CHA-managed properties as well as HCVP. The LIPH Property Management fee is adjusted annually by HUD. We are using the Knoxville Field Office rate for 2023 with a $3 \%$ increase. This is a conservative estimate, as we would guess it would be higher.

| Schedule of Fees |  |
| :--- | ---: |
| Bookkeeping Fee (LIPH \& HCVP) | $\$ 7.50$ PUM |
| Asset Management Fee (LIPH) | $\$ 10.00$ PUM |
| Property Management Fee (LIPH) - est 2024 | $\$ 57.90$ Occ Unit <br> Program Management (HCVP) <br> of Admin Fees |
| Capital Fund Mangement Fee | $10 \%$ of grant |$|$| From $5.63 \%-6.75 \%$ |
| ---: |
| of Revenue |

- Capital Fund Administration Fee - The COCC gets a $10 \%$ fee to administer the Capital Fund grant. The amount available in 2024 is estimated at around $\sim \$ 496,000$. As properties are removed from LIPH to PBRA, the Capital Fund grants will decrease proportionately.
- Fraud Department - The Fraud Department was established in 2023 as a new cost center under the Legal Department to dedicate resources specifically for investigating unreported income. The department employs two full-time fraud investigators who work to identify and collect unreported income in CHA programs, including public housing communities and the HCVP. Funding for the Fraud Department comes from direct billing to the programs and communities where unreported income is identified. Any funds recovered through collections of unreported income are returned to those programs and communities, allowing those resources to be used for providing affordable housing assistance.
- Budget Summary -

| Accounts | FY 2024 | FY 2023 | Differences | \% |

| Projected Net Income | 277,065 | 194,893 | 82,171 | $42 \%$ |

## HOUSING CHOICE VOUCHER (HCVP) OPERATIONS

- Administrative Fee Revenue - Admin Fee revenue is the primary source of funds for HCVP Operations. The calculation is based upon Admin Fee proration projected at $97.50 \%$. This is the last published amount from HUD for 2023. The proration amount will not be known until next year- pending a Federal budget approval or continuing resolution, and could end up being lower.
- Admin Fee Rate Adjustments - HUD adjusts the administrative fees every year. For this budget, we are using the 2023 published rate with a $3 \%$ increase, or $\$ 76.06$ PUM. For 2023, HUD provided $\$ 78.06$ PUM for the first 7,200 PUM, and then 72.85 for the rest of the PUMs ( 30,546 PUMs).
- Expenses -
- Administration - In the realm of administration, the intensified efforts of our Fraud Investigator have led to a substantial rise in expenses attributed to background checks. This investment is expected to yield higher returns by mitigating losses from fraudulent tenants.
- General - This category saw a small reduction in the Outgoing Port Admin Fees.
- Tenant Services - In 2023, CHA added the two positions of HCVP Housing Navigator \& Family Unification Program Coordinator. Maclellan Foundation is funding a second Housing Navigator position. This is grant funded and outside of these budgets.
- Fees - For 2023, CHA switched from using \$12/PUM to $20 \%$ of Administrative Fees. HUD allows us to use the higher amount.

## HCVP GRANT

- Operating Results - HUD's funding is designed so that Housing Assistance Payments (HAP) and Utility Assistance Payments (UAP) for landlords and residents are reimbursed at close to $100 \%$. Because of this, we project \$0 net income.
- Voucher Utilization - Utilization in the HCVP is measured in two ways: by the actual number of vouchers under lease or the amount of HAP being spent. The goal is always to have $98 \%$ of the vouchers under lease or $98 \%$ of the HAP being spent during the calendar year. We started 2022 at a voucher utilization rate of $90 \%$, which percentage fell to $84 \%$ by year-end. This was due to higher rents demanded by owners during the year, which caused a higher rent burden on participants, making it more difficult to find affordable units. To combat this situation, the CHA took advantage of a HUD waiver extension that allowed the payment of $120 \%$ of small area fair market rents (SAFMR) through 12/31/2023. This increased both voucher utilization, as well as HAP expenditure utilization to enable CHA to garner maximum points under HUD's SEMAP scoring. This made rents paid to landlords more competitive, increased participation and fostered an increase in voucher utilization and HAP expenditure utilization rates. It is preferable to have maximum voucher utilization, as the number of vouchers under lease drive the amount of administrative fees received from HUD, however, in this inflated rental market, it is very difficult to achieve maximum voucher utilization if rents paid to landlords remain artificially low. We have seen a positive impact on the waiver to $120 \%$ and have received an extended waiver to continue use of the $120 \%$ through 12/31/2024.
- HAP and UAP Proration - We are using $99.40 \%$ as a projection, since that is the last amount announced by HUD for 2023.
- Budget Summary

## LOW-INCOME PUBLIC HOUSING (LIPH)

- Revenue - LIPH consists of seven communities (see summary below). Primary funding for LIPH comes from:
- Operating Fund_- Operating Fund subsidy from HUD is the primary source of revenue in the LIPH Program. We are projecting proration at $93.02 \%$. This is the most recent published proration for 2023. HUD published its inflation factor for utility reimbursement at $13.95 \%$. This helps to offset rising utility costs.
- Rental Revenue - Outside of subsidy, the largest source of funds for LIPH is rental fees. Tenants are responsible for their portion of rent which is calculated at $30 \%$ of adjusted gross income. For the purposes of this budget, we are projecting occupancy rates at from $88-98 \%$, with the average being at $95 \%$.
- Oaks and Villages - CHA is currently working with Pennrose Properties to purchase the investor interest in The Oaks at Camden ( 57 units) and The Villages at Alton Park ( 275 units). Both were LIHTC deals and developed with CHA as minority owners. The properties have debt to CHA, and the purchases are being structured so that the debt is eliminated in exchange for full ownership. This is typically referred to as debt-to-equity conversion. The tentative schedule is Oaks by $1 / 1 / 24$, and the Villages by $4 / 1 / 24$. The Oaks is shown as $100 \%$ of the year, while the Villages is $75 \%$ (three quarters).
- Maple Hills - CHA is also working with Pennrose to purchase the managing member equity ( $0.99 \%$ ) of Maple Hills ( 48 units). This will make CHA the property manager and lays the groundwork for the eventual purchase of the remaining equity from the investor entities. CHA will earn a fee to serve as property manager, and this is reflected in this budget. Schedule is takeover on $1 / 1 / 24$.
- Expenses -
- Administration - The primary reason for the reduction in Admin is due to the conversion of the Oaks and the Villages. In prior budgets, CHA would have received the Operating Fund, and paid out $85 \%$ or $90 \%$ as "Outside Management Fees". That item is located in Admin. Now, the actual costs are spread through all the budget categories.
- General - We are budgeting for higher Collection Losses in 2023 due to increases efforts in fraud prevention. Also, the higher insurance projections are leading to the bulk of the increase in General.
- Maintenance - The maintenance category consists of three areas (Contract costs, Salaries, and materials). For the most part, the budget is same as last year. Overall, we are showing an increase in $29 \%$ in this budget line. Much of this is attributable to the additions of The Oaks and The Villages.
- Protective Services - In LIPH, Protective Services are the City of Chattanooga contract police officers that patrol the communities on a daily basis. We are predicting a $20 \%$ increase in utilization of these officers.
- Budget Summary

| Accounts | FY 2024 | FY 2023 | Differences | \% |
| ---: | ---: | ---: | ---: | ---: |

## PROJECT-BASED RENTAL ASSISTANCE (PBRA)

- PBRA - Consist of five communities that were former LIPH properties (Greenwood Terrace, Mary Walker Towers, Dogwood Apartments, Boynton Terrace Apartments, and Fairmount Townhomes). Greenwood Terrace was purchased from investors in 2022, and converted to PBRA (through RAD process) in 2023.
- Primary Sources of Income:
- PBRA Subsidy - This subsidy is drawn from HUD Multi-family portal (TRACS). Unlike the LIPH Operating Fund subsidy, this is a tenant based calculation. Rents have been adjusted for the latest OCAF (Operating Cost Adjustment Factor).

## Executive Summary - Finance

2024 Operating Budget (cont.)

- Rental Payments - Tenant rental payments are similar the LIPH in that residents pay $30 \%$ of AGI.

## - Expenses -

- Administration - Overall, Admin category in increasing by $6 \%$ over last year. As explained above, software costs make up a large percentage of the increase in this grouping.
- General - We are budgeting for a $22 \%$ increase in the General groupings. The biggest part of this grouping is insurance. As explained above, we are seeing another year of higher insurance costs.
- Maintenance - We are predicting a $23 \%$ increase in the Maintenance area. PBRA is made up of former LIPH properties and received substantial rehab as part of the RAD conversions. As the properties age, they will receive more attention in area to keep the properties in good shape.
- Replacement Reserves - The following chart shows the balances for the PBRA replacement reserves for the beginning of the year, and the required deposits for 2024. Replacement reserves are important to the PBRA properties, as it serves as the equivalent to the LIPH Capital Fund.

| Property | Beg | Deposits | Interest | W/D | End Balance |
